

Empirical Modeling of the Economy and the Environment

June 26-27, 2001 in Mannheim, Germany

The Centre for European Economic Research (ZEW), Mannheim, organizes a two-day workshop on „Empirical Modeling of the Economy and the Environment“ on occasion of the 10th anniversary of the ZEW and in honor of the 60th birthday of Klaus Conrad, University of Mannheim.

Several wellknown European and US economists have already confirmed their participation. We would like to invite researchers to contribute to the workshop by presenting papers on topics related to the subject of the conference. The conference language is English.

Date and Venue: ZEW, Mannheim, June 26-27, 2001

Finance: Participants may apply for financial assistance covering travel costs. Hotel costs will be reimbursed by ZEW.

Application: All applicants must submit a detailed abstract of paper proposals (1-2 pages) until April 27, 2001 to
