

Seminar Labour Economics (HS 11/12) "Empirical Analyses of Wage Formation":

After an introductory meeting at the beginning of the semester (9th September 2011, 13.45 in L9, 1-2, 002) the seminar takes place as a block seminar on 11th and 12th November, 2011, at ZEW (Raum Hamburg). Students can enrol for the seminar by **8th September**, 2011. Please send an email to Nicole Guertzgen including your matrikel number and 2-3 topics of your choice.

Contact person: PD Dr. Nicole Gürtzgen, phone: 0621/1235-155, ZEW, L 7, 1, email: Guertzgen-at-zew.de Prerequisites: Advanced Econometrics I. Examination: Seminar paper (max. 20 pages), presentation, discussion of another paper. Seminar papers have to be submitted to Nicole Gürtzgen until **4th November**, 2011.

Topics and Selected Literature:

The references merely serve as an introduction into the literature, it is by no means sufficient to read only these selected references. Please note that the seminar paper should contain an own critical review of the relevant literature (*not* a simple summary of the reviewed papers' content!) .

1. **The evolution of the German wage structure**
