13th ZEW Summer Workshop for Young Economists

June 28–30, 2011 in Mannheim, Germany

The Centre for European Economic Research (ZEW) is pleased to announce its 13th Summer Workshop for Young Economists. This year, the focus is on “International Business Cycles”. The workshop provides a forum for discussions between young talented researchers and distinguished experts in their field of research. The programme will consist of lectures by experienced researchers and presentations by young scholars. Extensive time will be provided for discussions among participants. The workshop is funded by Ernst & Young GmbH Wirtschaftsprüfungsgesellschaft, one of the world’s largest audit and consulting firms. The participants have to present a paper during the workshop. The submission of theoretical papers is particularly encouraged.

Papers on International Business Cycles, addressing topics as

- ▶ Inter- and Intra-sectoral Trade
- ▶ Product Differentiation
- ▶ Financial Market Imperfections
- ▶ Exchange Rates
- ▶ Heterogeneous Firms

are particularly welcome.

Lecturers:

Michael B. Devereux (University of British Columbia, Canada)

Fabio Ghironi (Boston College, USA)

Participants:

The workshop is open to around 12 advanced PhD students at the final stage of their doctoral thesis and post doctorates within three years after completion of their thesis.

Application:

Please submit the paper to be presented and a CV to summer-macro2011@zew.de. Participants may apply to the ZEW for financial assistance for travel and accommodation.

Deadline for submissions: March 14, 2011.

Heinz-König-Young-Scholar-Award: During the summer workshop, the Heinz-König-Young-Scholar-Award will be awarded to the best paper presented by a scholar younger than 35 years of age. The award is funded by MLP Finanzdienstleistungen AG, provider of financial services, and consists of a prize of 5,000 Euro and a three months residential fellowship at the ZEW. There will be an award ceremony during a formal dinner at the end of the workshop. The prize is named after the ZEW’s founding research director Prof. Dr. Dr. h.c. Heinz König.
