

// EIGHTH EDITION OF THE

CISS – COMPETITION AND INNOVATION SUMMER SCHOOL

28 MAY – 1 JUNE 2018, ULCINJ
(MONTENEGRO)

This workshop offers young researchers in the fields of innovation and competition economics the opportunity to discuss their dissertation projects in great detail within a group of experienced and renowned scholars, as well as other PhD students and postdoctoral researchers in an inspiring environment.

SCIENTIFIC PROGRAMME

The summer school features lectures that provide students with a detailed understanding of current topics of innovation, the economics of science and intellectual property rights, empirical competition analysis, and contemporary issues surrounding theories of industrial organisation. Students' presentations as well as workshops on research methodologies will take place in the afternoon.
