

CALL FOR PAPERS

// ZEW WORKSHOP

5th Workshop on Environmental Economic Analyses Using Official Firm Data for Germany (AFiD)

Mannheim | 14 and 15 September 2023

ZEW Mannheim is pleased to announce the fifth **Workshop on Environmental Economic Analyses Using Official Firm Data for Germany**, which will take place in Mannheim on 14 and 15 September 2023. Please note that parts of the workshop will be held in German. The primary focus of the event is the presentation and discussion of new research findings from analyses in the field of environmental economics using official firm data for Germany (AFiD) from the research data centres of the statistical offices of the Länder. In addition, the event shall facilitate the exchange of information between data users and data providers. Researchers are invited to submit an abstract of 600 to 1,000 words (including bibliography) to afid@zew.de no later than 1 July 2023. Researchers are explicitly encouraged to submit work-in-progress reports. Project outlines may also be submitted.

DEADLINES

- ▶ 1 July 2023: deadline for submission
- ▶ 15 July 2023: notification of acceptance

ADDITIONAL INFORMATION

The participation fee is EUR 100. This includes conference materials, snacks and coffee, drinks and the conference dinner. Participants who are presenting a paper are not required to pay the conference fee.

You can find more information at www.zew.de/afid2023
