

Call for Papers and Expression of Interest

2nd TSE-MaCCI ENTER-Workshop on Competition Economics

September 24 and 25, 2015 in Toulouse

Toulouse School of Economics (TSE) and The Mannheim Centre for Competition and Innovation (MaCCI) invite submissions in applied microeconomic theory, industrial organization, and regulatory economics by doctoral students. Students within the ENTER network receive priority.

This is an ideal opportunity advanced students (ideally one year before going to the Job Market) to present their work to faculty members from Toulouse and Mannheim as well as other doctoral students working in the same research area. We plan to have 6 to 10 presentations and the same number of discussions. At least two faculty members from Toulouse and two from Mannheim will participate in the workshop.

Submissions: If you want to present please submit your paper and short cv. Only full papers will be considered. Please also indicate whether you would be interested in discussing a paper if your paper is not selected for presentation. If you do not want to submit a paper, but want to discuss a paper, please send a short cv and indicate your interest in discussing a paper. Deadline is **June 30, 2015**.

Contact: Wilfried Sand-Zantman (wsandz@tse-fr.eu)
