// ANNUAL CONFERENCE OF THE SCIENCECAMPUS

Mannheim Centre for Competition and Innovation (MaCCI)

Mannheim, 20 and 21 March 2025

The **Mannheim Centre for Competition and Innovation (MaCCI)**, a joint initiative between ZEW Mannheim and the University of Mannheim, is pleased to announce its 2025 Annual Conference. The aim of the conference is to provide a platform for exchange and discussion on topics in competition- and innovation-related research between academic researchers and practitioners in public authorities, legal counsel, and economic consultancies. Information on previous editions of the conference is available at www.macci.eu.

The conference will comprise two keynote lectures and parallel sessions consisting of contributed and organised sessions. For the contributed sessions, submissions of theoretical, empirical, as well as case-oriented papers on competition economics, competition law, and related areas (regulated industries, competition and innovation, ...) are welcome. In particular, we invite legal scholars to submit papers focusing on EU competition or comparative competition law. The 2025 MaCCI Annual Conference will be held in person, starting on 20 March at 9 am and ending on 21 March at 3 pm.
