// ZEW PUBLIC FINANCE CONFERENCE

2021 Public Finance Conference: Behavioural Public Economics

Mannheim, 6 and 7 May 2021

ZEW Mannheim is pleased to announce the call for papers for the 2021 ZEW Public Finance Conference. The conference will take place in Mannheim on 6 and 7 May 2021.

The annual conference aims to cover all fields of public economics and political economy, with behavioural public economics being the focus of this year's keynote lectures.

Both empirical and theoretical papers are welcome, including completed papers and ongoing projects. Submissions related to behavioural public economics are encouraged. We also offer the opportunity to present posters for ongoing projects in order to receive early feedback.

We are currently planning to host a physical conference at the ZEW in Mannheim. Should the situation not allow for it, we will move it to a virtual format.
