7th Mannheim Energy Conference

Mannheim, Germany, 14–15 May 2018

The Centre for European Economic Research (ZEW) and the Mannheim Centre for Competition and Innovation (MaCCI) are pleased to announce the 7th Mannheim Energy Conference on 14–15 May 2018. International scholars and practitioners in the field of energy economics are invited to discuss latest insights, new opportunities and future challenges. The conference shall provide a stimulating environment for debates on issues fundamental to the energy industry, on policy implications of recent research, and new research questions arising from energy market regulation and policies. Advanced theoretical, empirical, and policy-oriented contributions on all aspects of the economics of energy markets are welcome. The following gives a non-exhaustive list of topics:

- Competition and Regulation of Energy Markets
- Infrastructure Provision and Management
- Sustainable Energy Transition
- Energy Demand and Efficiency
- Energy Innovation and Investment
