

Curriculum Vitae

Ehrhart, Nick

Nick Ehrhart studied economics and political science at Eberhad-Karls-Universität Tübingen and Universidad Católica Santiago de Chile. After receiving his diplomas (2002 and 2004) he worked as assistant professor at the University of Mannheim and the Technical University of Nürtingen. In 2005 he entered Kreditanstalt für Wiederaufbau (Frankfurt/Main) as Economist in the Economic Research Department. His key research activities there are SME finance, especially the financing of innovation and venture capital.
