

The Centre for European Economic Research (ZEW) and the SFB *Governance and the Efficiency of Economic Systems* each sponsor a limited number of grants available for PhD students and Post-Docs. These grants will cover budget airfare, shuttle/train expenses from the airport to Mannheim, and accommodation at the hotel *Steigenberger Hof* in Mannheim. The nearby airports of Frankfurt, Frankfurt-Hahn, Karlsruhe-Baden, and Stuttgart are well connected to major European cities by cheap airlines.

Grant recipients will need to become ACE members at a reduced fee of 50 Euros.

Applicants should submit:

- CV
- Letter of recommendation from their supervisor
- Budget (travel expenses)

Receivers of grants will be reimbursed **after** the conference and only upon reception of all relevant receipts. Hotel charges will be paid directly by the conference organisers. Payments will not exceed the original budget even in case you incur higher travel expenses.

Application deadline: 6 October 2006.

Applications should be sent by e-mail to: ace2006@zew.de.

Notifications of acceptance for grants will be issued on 13 October 2006.
